LONG RANGE RIFLE SIDE MATCH RULES

1. SIGN UP: deadline is 30 minutes prior to start of a particular caliber relay start time. You may sign up for all calibers at once, but the deadline will be observed. You must be physically present at the beginning of the scheduled start time for each caliber relay you intend to shoot. In other words, if you are signed up to shoot “Big Bore Lever”, times 9:00-10:30 be there and ready at 9:00 i.e., if you show up at a later time and that caliber is finished, you will NOT shoot that caliber. A shooter at sign-up will be assigned a number in a relay of 6 shooters. Sign-up will be open at 8:00 at the LRR range. A shooter may sign-up for all choices then or observe the 30 minute sign-up deadline. **All shooters must be pre-registered on the Border Wars 2020 entry form. NO walk-ups allowed.**

2. CALIBER	TIMES (start times could be later, but NOT earlier)	DISTANCES
Big Bore Lever	9:00-10:30	200,300,400 yds.
Big Bore Single Shot	10:30-12:00	300,400,500 yds.
Buffalo Single Shot	12:00-1:30	300,400,500 yds.

3. POSITION: seated on the ground or on a seat no higher than 7 inches using cross-sticks. All shooters on the same line and all cross-sticks and gun muzzles outside the covered area.

4. ALIBIS: none

5. SHOOT OFFS: at the end of each caliber’s relays. When it’s over it’s over!

6. QUALIFYING HIT: a hit is required at each distance to continue to the next distance. Chain hits that move the target, but do not print a bullet mark on the target will not be scored as a hit.

7. QUALIFYING MATCH: consists of 15 scored shots, 5 shots at each distance. 2 sighter shots at each distance are allowable, if needed. Once a shot is accepted for score the 5 scored shot count starts.

8. RICOCHETS: bullets that mark the target will be scored as a hit. The spotter(s) should inform the shooter if the hit was probably a ricochet.

9. TIME LIMIT: a shooter has 2 timed minutes from being called to fire his shot.

10. SPOTTERS: One spotter for every 2 shooters. Spotting boards are in place along the shooters firing line. Hand held LASERS are used by the spotter to mark the shot for the shooter. The official spotter(s) are for the scorekeeper only. NO hits/misses will be verbally called out for a shooter.

11. SCOREKEEPER: calls the shooter and starts and controls the 2 min. time limit and keeps score as dictated by the official spotter(s) whose decisions are final.

12. SHOOT OFF SCORING: see LRR match scoring sheet
